Extracts.

Mr. Seward's Despatches.

This Mr. Seward's Despatches, are contained in the complete works of the late Secretary of State, and are published in a series of volumes. The first volume, which contains the despatches from 1861 to 1865, is now being published in a new edition. The despatches are arranged in chronological order, and are accompanied by a full and complete index. The new edition is published in a more attractive and convenient form than the old one, and is a valuable addition to the library of any student of American history.

THE DAILY PRESS, THURSDAY, AUGUST 31, 1934

The despatches are arranged in chronological order, and are accompanied by a full and complete index. The new edition is published in a more attractive and convenient form than the old one, and is a valuable addition to the library of any student of American history.
